## GRAND JURY TO RECESS TONIGHT

More Than Score of Witnesses From  
North of Rushville Heard Today  
Third of Session

### TO RECONVENE NEXT WEEK

Jury Called Friday to Hear Appeal  
ed Case of City Against Max  
Tarplee For Damages

The grand jury was in its third day's session today, and the investigators will recess tonight for a few days, without making a report until they reconvene, which will probably be next week.

There were more than a score of witnesses called in before them today, most of the people being from north of Rushville, and in the Jackson township neighborhood. There were several witnesses heard yesterday, and all three days this week have been busy ones.

In the circuit court tomorrow the jury has been called into service to hear the case of the City of Rushville against Max Tarplee, a suit for damages. The case was filed in Justice Stech's court about a year ago, and on a change of venue it was sent to Squire Thompson in Glenwood, on the defendant's motion.

In the Glenwood court, a verdict for the defendant with costs against the city was rendered, and the city took an appeal to the circuit court and it is on the appeal that the case will be heard.

Tarplee is alleged to have run his automobile into a pedestal light in South Main street, doing considerable damage to the post, besides breaking the five globes, and the city is attempting to collect for the alleged damages.

Bertha Shane today filed suit for divorce in the circuit court against William Shane. The complaint alleges that the defendant mistreated her, accused her falsely of intimacy with another man, called her vile names which reflected upon her character and threatened to strike her.

The plaintiff alleges that they are married in June, 1917 and separated in March, 1921, when he is alleged to have sold their household goods. Young and Young, attorneys, represent the plaintiff in the case.

Charles J. Caldwell is plaintiff and Ida E. Jackson is defendant in a petition filed today in the circuit court, the action asking the plaintiff be removed from the bond of the defendant.

## TEACHERS HOPE TO MAKE BETTER RECORD

Large Attendance at State Association Meeting to Improve on 1920 Standing

### COUNTY WAS IN 61ST PLACE

A big delegation of Rush county teachers went to Indianapolis this morning to attend the sessions of the Indiana State Teachers Association, and the local teachers were expecting to make a better record attendance enrollment this year, as compared with last year, when the county ranked in 61st place.

All school units in the state are listed according to the number of teachers, and the attendance record is taken from the number represented from each unit. Last year Rushville city, which is one unit, was 102.7 percent in attendance, as every teacher was present as well as others who hold licenses but were not teaching. Rushville ranked 25th in the list.

Rush county, which is another unit, fell down in the list with 72.6 percent of the teachers present. In the sixth district Union county led with 18th place and all other counties with the exception of Franklin, were ahead of Rush county in attendance.

All schools with the exception of Center township, were closed today and Friday in order that the teachers could attend.

## PUT UNDER U. S. CONTROL

Fifty-four Stock Yards Placed Under Strict Supervision

Washington, Oct. 20.—Fifty four stock yards throughout the country today were brought under strict federal supervision by an order of Secretary of Agriculture Wallace.

As the result of an investigation the secretary held that these yards came within the provisions of the packer control law recently passed by congress.

The department will issue tentative regulations for the control of stock yards based on the law. Wallace said.

Hearings on proposed modifications will be held during the two weeks beginning Nov. 7 at Fort Worth, Texas, Kansas City, Denver, Portland and Chicago by Chester Morrill, assistant to the secretary. Other yards will be added to the control list until it reaches about 70 Wallace believes.

## TWO ARRESTED FOR ISSUING BAD CHECKS

Cases of O. F. Edwards of Shelbyville and Chase Cross to be Disposed of Late Today

### FORMER MAKES CHECK GOOD

Charge of issuing bad checks have been filed in Justice Stech's court against O. F. Edwards, R. R. 6 Shelbyville, and Chase Cross, R. R. 6, Rushville, and their cases were to be disposed of today in that court.

Edwards was arrested yesterday and after the evidence had been heard Justice Stech decided to let the case go over until six o'clock tonight. The defendant stated that the check, amounting to \$19.75, given to Dr. D. D. Drago, had been made good with a money order sent in the mail yesterday. If the amount had been made good, it would be received by the prosecuting witness by six o'clock tonight, and the charge would be dismissed.

Cross was arrested the other day, and he was scheduled to appear this afternoon. A check amounting to \$5 is alleged to have been given O. C. Brann, without sufficient funds.

## HOPE TO DEDICATE NEW CHURCH NOV. 6

Members of Big Flatrock Congregation Hope to Have House of Worship Completed Then

### TO BE MODERN BUILDING

An extra effort is being made by the workmen on the Big Flatrock church building, in Orange township, which is under construction, to have it completed in time to dedicate November 6. The improvement was started early in the summer and it is now the aim of the contractor to finish it by the end of this month.

The new church will be modern in every particular and will contain all of the conveniences of present-day houses of worship, including a heating plant and a basement under the whole building. The structure is 64 by 44 feet and is of brick veneer construction.

The building is being erected on the same site and is being constructed around the old building. The old structure was turned half way around and additions built on the front and rear. A whole new roof has been put on.

The Big Flatrock Christian church is one of the oldest in the county and great preparations are being made for the dedication.

### NEW MINISTRY FORMED

London, Oct. 20.—A military movement against the Portuguese government proved successful, according to a dispatch from Lisbon today. The government resigned and a new ministry was being formed. There was no bloodshed.

## RAIL CONFERENCE BEGINS AT 2 P. M.

Railroad Brotherhood Chiefs Decide Before Hand The Strike Will Not be Postponed

### STATEMENT BY T. C. CASHEN

Lieutenants Continue to Outline Plans For Walkout While Chiefs Meet Labor Board

(By United Press)  
Washington, Oct. 20.—Important freight rate reduction will be announced in the near future by the interstate commerce commission, it was reiterated today by a high official of the government.

These cuts will be ordered into effect on short notice. It was said at the White House that President Harding is desirous that the rates be announced as soon as possible in order that they might influence the railroad brotherhoods to rescind the strike call.

Chicago, Ill., Oct. 20.—Brotherhood chiefs in a conference today which ended shortly before they were to meet the United States railroad labor board, decided there would be no postponement of the railroad strike called for October 30.

"In our conference with the railroad board our difficulties with the executives must be finally settled or the strike will go on as scheduled," said T. C. Cashen, president of the Switchmen's Union of North America.

"There will be no postponement of the strike we have called," he declared. The conference between the brotherhood chiefs and the labor board members started behind closed doors at 2 p. m.

Cleveland, Ohio, Oct. 20.—Brotherhood lieutenants continued to map out the minor details of the impending industrial war here today while their chiefs met with the Railway Labor Board to discuss possible peace.

At union headquarters, it was made known there would be no halt in preparations for the general transportation walkout, starting Oct. 30 until word was received from Chicago that a settlement had been reached.

A score of executive committee-men and members of the advisory boards of the Brotherhoods went into conference here early today and were expected to continue in session until night.

### Pennsylvania Defies Board

Chicago, Oct. 20.—The Pennsylvania Railroad again defied the power of the United States Labor Board today just as the Board was prepared to enter into negotiations with the Union heads in an attempt to avert the October 30 strike.

Representatives of the Pennsylvania, summoned to show why the road should not be declared in violation of the Board's orders, declared the action of the Labor Board in ordering election of representatives to negotiate with officials on working rules was unlawful and illegal.

Judge C. E. Heiserman, attorney for the Pennsylvania, presented the road's case. The road had not followed out the orders of the Board to arrange for the election and would not permit the choice of labor organizers to represent the men at the negotiations.

The attorney spent less than ten minutes in presenting the road's case. He declared the Board's order tended to encourage the following:

- 1—Closed shop.
- 2—Sympathetic strikes.
- 3—Limitation of output.

N. P. Good, representing the Labor Department of the American Federation of Labor, told the Board that if it did not make the Pennsylvania obey its rules the 500,000 members of the Shop Workers Union would be called out on strike.

"We are determined to put our strike vote into effect unless the Pennsylvania gives us our rights as guaranteed under the Transportation Act," Good asserted. He said it was clear that the Pennsylvania had violated the orders.

## TUMULT IN FRENCH LEGISLATIVE BODY

Uproar in Chamber of Deputies Today When Plot to Kill U. S. Ambassador is Mentioned

### DRAGNET CUT FOR CULPRITS

Communists Disclaim Responsibility For Outrage—Believed Protest on U. S. Sentence of Members

(By United Press)  
Brest, France, Oct. 20.—A mob of 1,000 Syndicalist marched upon the American consulate here today and smashed the windows, singing the Internationale and waving the red flag. The police finally dispersed the crowd.

London, Oct. 20.—No necessity for "extra precautions" at the American embassy here was seen by United States officials today. Although threatening letter relating to the communists sentenced at Dedham Mass. U. S. A. have been received here it was believed anti-American demonstrations would be confined to the continent.

Brussels, Oct. 20.—The American embassy here was closely guarded by police and detectives today.

Demonstrations by Communists yesterday, in which more than 200 persons created a disturbance in front of the embassy until they were dispersed by the police and fear of a possible bomb outrage similar to that at Paris against Ambassador Herriek yesterday, led to extraordinary precautions being taken.

Paris, Oct. 20.—The attempted assassination of Ambassador Herriek led to uproarious scenes and indescribable tumult in the French Chamber of Deputies today.

Deputy Mandel, chief deputy of former Premier Clemenceau, in a fiery speech attacked the police and the department of justice for permitting the outrage to occur. He also made a bitter attack upon the Communists and the Socialist senator Escoffier, leaped at him and struck him in the face.

When things quieted down, M. Bonnefoy, minister of justice referred again to the bomb incident and deplored it in strong terms while the Chamber cheered.

Arrests are imminent in connection with the bomb outrage, it was announced today after a nation wide dragnet of police and special detectives have been flung out in search of the perpetrators.

The communists, disclaiming responsibility for the attempted assassination of the ambassador in which his British valet was wounded announced today their intention of continuing the campaign to free Sacco and Vanzetti, Communists convicted of murder in the United States.

Ambassador Herriek went to the embassy as usual today and this afternoon played golf, refusing the services of personal guards.

General Pershing was closely guarded as he left today for Cherbourg.

Communists attacked the American consulate at Brest, breaking windows.

A huge Communist demonstration Sunday will be arranged at a meeting of the "committee of action" tonight, the Internationale, official Communist organ, announced today. Other prominent Americans beside Herriek have received threatening letters from Communists here, the police learned today.

Official France feels deeply the dignity of the attack upon Ambassador Herriek. President Millerand and Premier Briand today sent personal representatives to call and express their sympathy and congratulations upon his escape.

Extraordinary precautions were taken here today to guard the departure of General John J. Pershing who took the boat train at the Gare St. Alaree for Cherbourg. Hundreds of detectives mingled with the throngs at the station and cordons of police protected Pershing's train.

Gen. Pershing's departure was not marred by any untoward incident.

## JUDGING IS COMPLETED

Five-Acre Corn Contest Prizes to be Announced at Show

The corn grown in the five-acre contest in Rush county will average from sixty to one hundred bushels to the acre, according to Donald D. Ball, county agricultural agent, who finished checking up the five acre tracts in the county Wednesday evening. The judging was done by Ernest Thornburg, manager of the Hamilton farms in Shelby county.

There are seventeen contestants in the county the entries of all of whom were carefully inspected and checked up by Mr. Thornburg and Mr. Ball. The prize winners will not be announced until the annual county products show to be held late this fall.

## BOARD TO COMPLETE ORGANIZATION FIRST

Membership Fees For Country Club Will Not be Collected Until Club is Incorporated

### 131 STOCK MEMBERS TODAY

The board of directors of the newly organized Rush County Country Club held a brief session this morning and decided that the constitution and by-laws and the articles of incorporation would be prepared at once, as arranged at a meeting Tuesday night, and that the club would be duly incorporated under the laws of Indiana before the board proceeded to the collection of subscriptions for stock.

Persons who have agreed to buy stock, it was announced by a member of the board, may not expect to be called on at once to pay their membership fee, but will receive notice in due time, when the organization has been completed.

By actual count this morning, there were one hundred and thirty-one subscriptions for stock at \$100 a share, and others are expected to come in. The most optimistic believe the club will start off with 150 stock members, which is 25 more than it was estimated would be needed.

The sale of preferred stock is moving along well, it was reported, so that there will be no difficulty in financing the project.

## ROBE OF PEARLS TO BE DISPLAYED HERE

Royal Garment Will be Exhibited by Frank Rembush of Shelbyville for Charity

### AUSPICES OF TRI KAPPAS

The royal robe of pearls, which was acquired in a very unusual transaction last spring by Frank Rembush of Shelbyville, will be displayed in the court house assembly room here Saturday afternoon, October 29, from two to five o'clock, under the auspices of the Tri Kappa sorority for the benefit of the county board of children's guardians.

Mr. Rembush will wear the robe and will tell the romantic story of its origin and will describe the chain of events which resulted in his obtaining possession of it. The robe, which includes cap and slippers was made by nuns in Paris for the "Mad King Otto" of Bavaria and is said to be of immense value. How Mr. Rembush became the owner of the unusual garment is a story that sounds very much like fiction, but has been proved to be authentic.

Mr. Rembush is displaying the robe for charity and charges nothing for his services. The Tri Kappas will charge a small admission to raise money for the county board of children's guardians who need funds to help some underprivileged children living in the county, outside of Rushville.

## DELUGE FAILS TO STOP LODGE PARADE

In Spite of Rain, I. O. O. F. Pageant Proves Best Fraternal Demonstration

### 800 PERSONS PARTICIPATE

Beautiful Floats and Red Fire Make it Spectacular—Degrees Given Before Large Crowd

Marking the largest demonstration ever made by a lodge in Rush county, the annual county gathering of the I. O. O. F. came to a climax Wednesday night with a spectacular parade, featured by floats and red fire, which smacked of campaign times.

The participants in the parade fell about two hundred short of a thousand, the number expected to take part, but the early estimates would have been exceeded, had the weather not interfered and prevented many from attending the meeting.

Although rain fell frequently during the day, leading up to the deluge between five and six o'clock, it did not dampen the ardor of many Odd Fellows or Rebekahs, for there was approximately half of the membership of the two branches of the order in the county, present for the parade and degree work.

Those in charge of the plans for the parade said there were seven hundred marchers and one hundred others who rode in automobiles or on floats. This number would have been a few hundred larger, in the opinion of prominent Odd Fellows, if the heavy downpour of rain had not fallen when it did. The rain began at a time when many people living a few miles from Rushville planned to start to the city.

The rain also disarranged the plans for the parade, because many were under the impression that it would not be held and did not even prepare to take part. Several who had a part in the organization did not show up at parade time and made the work of the committees doubly difficult.

Following the parade, the Odd Fellows retired to the lodge room, where work in the second and third degrees was given, and the Rebekahs went to the Modern Woodman hall, which served as their headquarters during the day.

The Odd Fellows hall was jammed full of people and many were turned away. The second degree was given on a class of eighteen county candidates by the Mays degree staff and the third degree was given on a class of twenty-one candidates, including two from Connersville and one from Brookville, by the Arlington staff. The Milroy staff gave the first degree to the county class of eighteen candidates in the afternoon.

The two grand officers present, Otto Byers of S. Bend, grand master, and William H. Leedy of Indianapolis, state secretary, complimented the degree teams on their work and also were high in their praise of the showing made by the lodge in the county meeting. Mr. Byers was immensely impressed with Rush county, it being his first visit here.

Large crowds of people lined the streets over which the parade was to pass when the procession began to move at the corner of Main and Fifth streets, headed by the Arlington band and Harry Petry, grand marshal, who was mounted. The Rushville Odd Fellows band lead the second division. Each of the marchers carried "sparklers" and large sticks of "red fire" lighted the way as the parade came down the Main street hill.

There were nine floats in the pageant, each delineating some degree or lesson of the I. O. O. F. or Rebekah lodge. A tenth float prepared by the Arlington lodge was demolished in the trip to Rushville. Another float prepared by Arlington was so tall that it could not be brought through a bridge on the Indianapolis pike and the delay in going a round-about way almost prevented the float from arriving in time.

Milroy No. 367 of Rebekahs had a float showing Rebekah at the well, the story from the Bible on which the order is founded. The float of the Rushville Rebekahs was ap-

TEACHERS GATHER FOR STATE MEET

Sixty-Eighth Annual Convention Opens With Many Problems Up For Discussion

PLAN INSTITUTE CHANGE

Conference Will be Held and Fallacies of Present System Will Be Pointed Out

(By United Press)  
Indianapolis, Ind., Oct. 20.—Indiana teachers gathered here today for their sixty-eighth annual discussion of the eternal boy and girl.

They flocked on the street corners in pairs and in crowds, blocking traffic to discuss everything from hats to calculus.

This afternoon twenty educators met with Benjamin J. Burris, state superintendent of public instruction and discussed the revision of the teachers' institute. Burris pointed out the weakness of the present system. He declared grade school, primary, high school and special teachers are required to attend the county institute and all must go through the same program regardless of their special needs.

These meetings are costing the state \$165,000 annually and the teachers \$15,000 a year, Burris declared. He discussed plans for making institutes more efficient and fitting them to special needs for teachers.

School morale and the dependence of social welfare upon the schools was discussed this afternoon. Immoral dancing and cigarette smoking, Burris said existed in the schools to some extent but not as much as is the general belief.

At the parent teacher association meeting this afternoon the Miss Ina Gaskill, supervising nurse of the state board of health spoke of the state nurse as a factor in public health. She said children are inspected carefully as to their physical defects and when the occasion requires nurses under her supervision visit homes to correct children's living conditions.

Tomorrow Will Irwin will address the teachers at Tomlinson hall on the "Next War."

—Mrs. Nell Knapp of Knights-town is here for a visit with Dr. and Mrs. W. W. Barker of North Main street.

—Miss Lillian Priest, a student in the state normal at Terre Haute arrived last evening to be the guest of her parents, Mr. and Mrs. George Priest.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

—The Rev. and Mrs. Clyde S. Black and family spent the day in Glenwood with friends.

—Dr. F. R. McClannahan and Dr. P. H. Chadwick were in attendance at the Eastern Indiana Dental Society meeting yesterday afternoon and evening at Liberty.

DELUGE FAILS TO STOP LODGE PARADE

Continued from Page One  
planned. It represented a sail boat and was regarded as the most artistic in the parade, the decorations being mostly of handmade flowers, which required much work by members of the lodge.

Mitrov lodge of I. O. O. F. represented the first degree, which is based on the Biblical story of David and Jonathan, the degree staff in full regalia riding on a motor truck.

The Mays Odd Fellows float representing the second degree, which is drawn from the story of the good Samaritan. The float pictured the Israelite being taken to the inn after he was robbed. Franklin lodge of Rushville delineated the third degree with its float, the title of the float being Truth.

The float entered by Bernice encampment of this city represented the golden rule degree. Other floats were put in the parade by the Arlington camp, Beech Grove lodge of Arlington, the Homer lodge and Sadie lodge No. 470. The floats pictured the benefits which could be derived by belonging to the Odd Fellows and associated orders.

THREE MEN AND ONE WOMAN HELD IN PROBE

Investigation Being Made in Connection With Poisoning of Seven Nurses in Chicago

TWO SUITORS ARE SUSPECTED

(By United Press)  
Chicago, Oct. 20.—Three men and one woman were held for questioning by police today in connection with poisoning of seven nurses at the West End hospital.

The nurses became violently ill after they had partaken of a box of chocolates sent to Miss Helen Rosenfeld. The candy, examination showed contained cyanide.

Will and Ben Zimmerman and Mr. and Mrs. Harry Krause, with whom the brothers lived, stuck to their original stories that they knew nothing of the poison plot.

The Zimmerman brothers were both suitors of Miss Rosenfeld who said she permitted herself to become engaged to both of them.

The nurses were back at duty today.

INJURIES MAY BE FATAL

Anderson, Ind., Oct. 20.—Two men were expected to die today from injuries received when a westbound Big Four passenger train struck a city street car here last night. Two others were less seriously hurt.

SCHOOL SHOES

Boys and girls of school age usually wear out more shoes than any other member of the family, but parents, who have previously bought their children's shoes from us, are now steady customers. Why shouldn't they be? Here every pair is sold with a guarantee of being solid leather. We do not buy inferior merchandise in order to quote prices below our competitors.

Still you'll find our prices moderate and in keeping with the times.

As Follows

Children's Shoes, 8½ to 11, Black or Brown at \$2.50  
Misses'—11½ to 2, Black or Brown, at \$2.75 to \$3.00  
Boys'—2½ to 6, Black or Brown, at \$3.00  
Youths' and Little Gents—10 to 2, Black or Brown, at \$2.50

of  
**The Affairs of Anatol**  
A Paramount Picture

TO THE  
People of Rushville

It will be of interest to you to know that we have been successful in securing this remarkable picture, which is unanimously proclaimed to be the screen's crowning achievement.

We will present "THE AFFAIRS OF ANATOL" for a three days' engagement, beginning Wednesday October 26th, continuing to Friday, Oct. 28th. This picture has cost the Famous Players-Lasky corporation more money to produce than any picture that has ever been distributed over the Paramount trademark, and consequently we are paying for the production considerably more money than has ever been paid for a single motion picture in Rushville.

Cecil B. De Mille, the director, and Jesse L. Lasky are directly responsible for this remarkable production and nothing has been spared in producing "THE AFFAIRS OF ANATOL" that would stand in the way of its being meritorious of the compliment paid to it as being the greatest motion picture ever produced.

All the pomp and splendor, all the riches in charm and beauty have been blended with a wonderful story, and the characters included in the cast are enacted by screen favorites of universal fame.

## Barum Was Right

Barum was right. Ignoring the warnings of the Government, American wage earners last year contributed half a billion dollars to the promoters of "wildcat" stock schemes. Unable to resist the offer of high interest rates, thousands of hard-working men and women disposed of their Liberty bonds or

withdrew their savings from banks to purchase what the Mutual Magazine, devoted to the interests of sound investments, refers to as "insecurities".

You personally may not have bought a share of these offerings of unscrupulous promoters, but the fact remains, according to an estimate made public by the United States Federal Trade Commission, that a sum amounting to about \$4.59 for every man, woman and child in this country was withdrawn from legitimate uses and poured into the pockets of fakers. It is estimated that \$350,000,000 was withdrawn from bank deposits for this purpose and that Liberty bonds valued at \$150,000,000 were given up by victims for worthless paper.

The war induced thousands upon thousands of Americans to become investors in Liberty bonds and Victory notes," says the Bridgeport Times. "Having tasted the joys of bond holding and coupon clipping, and experienced the rewards of economy and thrift, a large percentage of these investors looked for further and larger paying investments and so became easy prey for the swindlers".

## National Economy

Budget Director Dawes has made two more moves directed toward national economy. A new board has been created to standardize speci-

fications of material bought by the Government. Gen. Dawes declares the present system of making purchases by the executive departments is out of line with the procedure followed in the best business establishments, and that considerable waste results. The Chief of the Bureau of Standards is to head the new organization, and a complete survey of all existing specifications will be started immediately. Another new commission will be the Federal traffic board, which will take up the matter of readjusting rate groups on government traffic, and endeavor to work out a better method of routing shipments. It is said that the Federal transportation bill amounts to \$200,000,000 annually, which Gen. Dawes believes can be materially reduced through closer coordination among the executive departments.

## The Greatest Difficulty

There will be pretty general concurrence in the conclusion reached by Secretary of Commerce Hoover that only one in five of the unemployed are in need of assistance to get through the winter. People who have tried to find men to do odd jobs of work find it difficult to secure the desired assistance. Men are particular what kind of work they take and they fix their scale of wages to suit themselves. This is their right, and they cannot be criticized for it. At the same time, the fact demonstrates that their idleness is not entirely forced but is due largely to the inability of employers and employees to get together on an agreement as to what work shall be done and what it is worth to the employer and the employee. When a

## Estate Hot Storm

You should demand more than a mere Hot Blast for your heating stove this year. Most every stove manufacturer today makes a hot blast or combustion device for burning any kind of fuel, but what people should buy today is a stove that gets more heat from the same amount of fuel burned. And the only way to do this to construct a stove which will circulate as well as radiate heat. The ESTATE HOT STORM is the stove with a little furnace in it that heats just the same as a pipeless furnace. There is no other way of getting as much heat as with the ESTATE HOT STORM, which has the latest Hot Blast Combustion Device used in any store.

Visit Our Stove Department

## A GUNN HAYDON

householder wants his roof repaired and is willing to pay 60 cents per hour for the work and a carpenter refuses to take the job for less than 75 cents per hour, the idleness of the carpenter is not due to the absence of work but to the inability of employer and employee to agree. Cases of this kind can hardly be said to call for charitable assistance or for government aid in furnishing employment. Such cases must await a change in the opinion of either the employer or the employee.

FORMER RUSH COUNTY  
MAN DIES IN THE WEST

Funeral For Harold Love, Late  
Member of Indianapolis Fire Department, on Saturday

BORN HERE JULY 11, 1864

Funeral services for Harold Love, age fifty-seven, former member of the Indianapolis fire department, who died last Friday in Los Angeles, Cal., will be held Saturday at St. Paul's Episcopal church, New York and Illinois streets, Indianapolis. Mr. Love's death followed a long illness.

Mr. Love was born July 11, 1864, in Rush county. He entered the Indianapolis fire department in 1903 and was promoted to the rank of lieutenant in 1912. He held that position until November 5, 1919, when he retired because of ill health.

Mr. Love is survived by one sister, Mrs. Eva Shimm, who was with him at the time of his death; two brothers Fred K. Love of Los Angeles, and Edward W. Love of Indianapolis, and ten children, Lewis, of Los Angeles, John, Helen, Elizabeth, George, William, Harold Mrs. Grace Trittip, Mrs. Eva Busen and Mrs. Margaret Stockman, all of Indianapolis.

AH! EPSOM SALTS

LIKE LEMONADE

You can now buy epsom salts without the awful taste and nausea, by asking your druggist for a handy package of "Epsomade Salts" which looks and acts exactly like epsom salts, because it is real epsom salts combined with fruit derivative salts, giving it the taste of sparkling lemonade.

Take a tablespoonful in a glass of cold water whenever you feel bilious, headachy or constipated. "Epsomade Salts" is the much talked of discovery of the American Epsom Association.

## Human Need

These two words express the biggest, the most far reaching the most vital idea known to the mind of man. The Science, Art, Invention, Discovery, Individual, Organization, Society or Government that adequately supplies this need is indispensable to the welfare of human society.

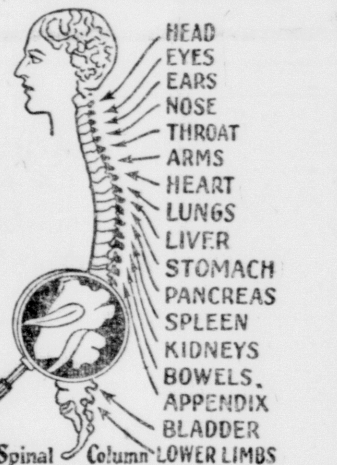

One of man's most fundamental needs, without which he can do very little toward supplying other great human needs is

## Good Health

Of all Sciences, Arts Inventions and Discoveries intended to supply this great need for the Human Race, Chiropractic stands in the forefront and, according to present indications, will soon be far in the lead of other methods. There is just one great fundamental underlying reason for this. Chiropractic has allied herself with the laws of NATURE.

In fact, one definition of Chiropractic reads: "Chiropractic is the Science and Philosophy of things Natural." Science deals with the facts of nature, therefore you can see why,

**HEALTH FOLLOWS**  
CHIROPRACTIC CORRECTS  
PRESSURE ON SPINAL  
NERVES IN DISEASES OF  
THE FOLLOWING ORGANS:

## Chiropractic Is Scientific

When the vertebrae of the spinal column lose their normal position for any reason, this condition produces pressure upon the great nerves and CAUSES sickness. Chiropractic Adjusts the vertebrae to their normal position according to nature's design, and the power of Nature itself restores to good health.

RUSHVILLE OPENS  
WITH A VICTORY

The Rushville high school opened the season last night with a victory over the Arlington high school, and displayed flashy team work at times. The first game surprised the fans by their remarkable ability for so early in the season, the final count being 31 to 11.

Arlington started off in great fashion and within a few seconds after the game started, scored the first point when Rushville made a foul. Then Headlee came back and tied the score with a foul.

The two teams struggled along for several minutes, neither being able to break the tie, but Headlee began the bombardment with a field goal and soon the score was 6 to 1 in favor of Rushville. Rigsbee, forward for Arlington, was the bright star on the team, making all of the eleven points.

The visiting team was able to run up only six points in the first half, while Rushville ended the period with 22 counters. In the last half, substitutions were made, and Headlee was instructed not to shoot goals, but feed the ball to other players, and in this half Rushville made nine points and Arlington five.

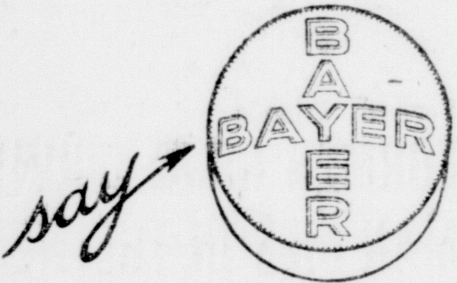

The two former players, Headlee and Frazee, performed in great style all of the way through, and nothing got by Frazee at back guard, and Headlee shows even more speed and accuracy than he did last year. His quick twist was almost perfect, and he seemed to break through the line in easy fashion.

Casady at forward showed up well and with a few more games and practice he will develop into a speedy and good goal shot. Phillips also showed speed last night, but missed many chances at the basket. The other forward position is taken care of by Pugh and Sparks, and these two young players will soon have regular berths on the team.

The entire team showed good team

ASPIRIN

Name "Bayer" on Genuine

Take Aspirin only as told in each package of genuine Bayer Tablets of Aspirin. Then you will be following the directions and dosage worked out by physicians during 21 years, and proved safe by millions. Take no chances with substitutes. If you see the Bayer Cross on tablets, you can take them without fear for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve tablets cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacid-ester of Salicylicacid.

The Patterns Are So  
Varied and Beautiful-

Anyone who is contemplating new Wall Paper this fall, should not miss the designs which are being offered at Johnson's Drug Store. The newest patterns speak for any kind of taste, whether living room, dining room or bed room. The prices are back to former times, and we never before had such an offering. Work is done promptly and satisfactorily by our expert hangers and decorators.

AND AS A REMINDER

With each 25-cent purchase between now and December 23, it entitles the purchaser to one free guess on the number of needles contained in a glass jar, and a Sonora phonograph is to be awarded to the person who guesses the nearest or correct number of needles.

MAKE YOUR PURCHASES WIN FOR YOU THE FREE SONORA.  
A GUESS WITH EVERY 25 CENT PURCHASE.

JOHNSON'S DRUG STORE

This is the Penslar Store, where Drug Service is Unsurpassed.

work considering the early part of the season, and Arlington also has a speedy team, but were lacking on goal hitting, leaving it all for Rigsbee.

In the second half Cartmel, Sparks, Walker and Sommerville relieved some of the players, and even the substitutes displayed fast team work in passing the ball. Arlington scored last in the game with a field goal, making the final count 31 to 11.

Referee Webb was rigid on calling fouls and a total of 28 were called during the game, 13 being on Arlington and 15 on Rushville. Rigsbee made 5 of them, and Headlee converted 7 of the 13 into points. Frazee for Rushville and Birt for Arlington each was forced out of the game on account of four personal fouls.

In the preliminary contest the Webb school did not have much trouble in defeating the second string team from Rushville, and the team from the Webb school proved fast and good basket shots, winning the game by a 15 to 7 count. In this game several of the players with the first team couldn't hold them, and Webb has prospects for a winning team this year.

The score and summary:  
Rushville (31) Arlington (11)  
Pugh ----- F ----- Rigsbee  
Casady ----- F ----- Nelson  
Headlee ----- C ----- Birt  
Phillips ----- G ----- Mitchell  
Frazee ----- G ----- Marshall  
Substitutions: Rushville—Cartmel, Sparks, Walker and Sommerville; Arlington, Price for Birt. Field goals, Casady 4, Headlee 5, Phillips, Sparks, Walker, Rigsbee 3. Foul goals, Rigsbee 5 out of 15; Headlee 7 out of 13. Referee Webb.

TWO NEW SALEM FIVES WIN

New Salem high school won a double header last night from the Morristown first and second team, when the New Salem first team won by a 7 to 5 score and the second team shut out the Morristown seconds by the close count of 4 to 0. The teams were evenly matched, and close guarding by each side prevailed. The first half of the first teams game ended with Morristown one point in the lead, 3 to 2, and the second team from New Salem was ahead 3 to 0 at the close of the first half.

New Salem will next play the Orange team at Orange on October 28.

RALEIGH TAKES A COUPLE

Raleigh high school's first and second basketball teams won from Lewisville high school first and second teams Wednesday night at Raleigh, the first string men winning, 14 to 12, and the seconds taking their contest 12 to 5.

In the main game, Lewisville tied the score at 12-12 near the close of the second half, but Raleigh put

over a field goal which was enough to win. Both Lewisville aggregations were fast.

Raleigh opened last Friday night at New Salem, winning 8 to 3, and will play Carthage one week from Friday night. Raleigh lined up last

night with K. Ertle and Craig, forwards; Clifton, center; W. Ertle, floor guard, and Hyatt, back guard. The Lewisville line-up was: Parker and Martin, forwards; Hall, center; Lane, floor guard, and Showalter, back guard.

# SOCIETY

Edited By Miss Edna Krammes  
Phone 1111

The marriage of Miss Mary Jane Carr to Horace Redburn McClure of Anderson, Ind., was celebrated with a beautiful ceremony last evening at eight o'clock at the home of the bride's parents, Mr. and Mrs. Owen L. Carr, 501 North Perkins street. A profusion of ferns and southern smilax formed an artistic setting, an altar being arranged in the living room, of greenery and ferns studded with southern smilax and lighted with tall cathedral candles. The impressive ring ceremony of the Methodist Episcopal church was read by Dr. J. M. Walker, superintendent of the Connersville district of the Methodist church. The bridal music was provided by Miss Ulrich Mosier, violinist, and Miss Alberta McCain, harpist, of Indianapolis. One hundred and fifty guests witnessed the ceremony.

Preceding the ceremony a program of bridal airs consisting of "At Dawning," "Intermezzo from Caval-

leria Rusticana" and "Profit Bird" was beautifully rendered by the musicians and to the strains of Lohengrin's wedding march the bridal party descended the winding stairway and marched to the altar where they met the bridegroom and the best man, who entered the living room from a side doorway. The bridal party was composed of the bridesmaids, the Misses Mary R. Wheeler and Florence K. Buschmann of Indianapolis, and Miss Allene Budd of this city, who were dressed in dresden shades and carried arm bouquets of roses in the dresden colors; the matron of honor, Mrs. John M. Carr, who was gowned in a beautiful creation of blue taffeta silk; the bride, who looked lovely in a white cut velvet gown beaded with pearls and crystals, her wedding veil being arranged with a band of pearls and she carried a shower bouquet of lilies of the valley and orchids; Owen L. Carr who gave his daughter away; and Edward J. Markey of Washington, Pa., best man.

Following the beautiful ceremony a reception was held, during which the dainty refreshments of mousse, individual cakes and mints, carrying out the color scheme of yellow and white, were served. The dining room table was centered with the immense bridal cake adorned with yellow roses and bridal bows.

The out-of-town guests included Mr. and Mrs. Harold Cantwell and son Harold of Dubuque, Iowa; Owen L. Carr, Jr., of Rulant, Mississippi; Mr. and Mrs. Edward Markey of Washington, Pa.; Mr. and Mrs. H. F. McClure and Dr. and Mrs. G. B. Buckingham, of Brookville; R. A. McClure and Mr. and Mrs. George Delority of Elwood; Mr. and Mrs. John M. Green of Chicago; Mr. and Mrs. Dale Crittenger, Mr. and Mrs. George Crittenger, Judge and Mrs. W. S. Diven, Mr. and Mrs. Ed Toner, Mr. and Mrs. Jesse Ver-

**Fur Coats, Wraps, Capes, Stoles, Scarfs, Boas and Chokers**

### LOWERED PRICES

The prices quoted by Mr. Holland at this opening will prove to be a powerful incentive to purchase now. The excessively high prices of the past few years are things of the past, and you will be pleasantly surprised by the unusually attractive offering.

Our satisfactory connection of over 25 years with the Annis Fur Co. assures you authentic style, highest qualities and complete satisfaction. Any piece of fur you may select will be delivered to you at once from this display, or ordered to come later at your option.

**Your Presence is Requested and Urged**

### BUY NOW

Furs are no longer reasonable apparel, but year around useables. No longer can they be considered purely luxuries. Wear them now with your new fall clothes. A reasonable deposit will hold them for later delivery. Why not dispose of that Christmas problem now?

**The Ma zy Company**

### MOTHER, QUICK! GIVE CALIFORNIA FIG SYRUP FOR CHILD'S BOWELS

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste from the tender, little bowels and gives you a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

million, Mr. and Mrs. Ed Ridley all of Anderson; Miss Louise Wills, Miss Virginia Eaglesfield, Miss Florence Buschmann Miss Mary Wheeler, Mr. and Mrs. Severin Buschmann, Mr. and Mrs. Archey D. Erehart, Mr. Todd, Robert Humes and Perry O'Neal, all of Indianapolis; and Cadet Mark F. McClure of West-point.

Mr. and Mrs. McClure left on a wedding trip immediately after the ceremony, the bride travelling in a beautiful tailored suit of blue. The bridegroom, who is the son of Judge and Mrs. J. F. McClure of Anderson, is a member of the Delta Kappa Epsilon fraternity and was a lieutenant in the field artillery during the war. The bride attended Indiana University and is a member of the Kappa Alpha Theta sorority. Upon their return from their wedding trip they will be at home to their friends in Anderson, after Nov. 6 at 1124 Delaware street.

Several friends of Robert H. Daubenspeck pleasantly surprised him Sunday at his home near New Salem with a dinner party. A birthday cake adorned with ten candles formed the decoration for the table. The Rev. Mrs. Talmage Defrees chaperoned the following boys to the home: Harrison Carney, William Norris, John McKee, Jr., Glen Mauzy, George S. Huffman, Lawrence Smith and Richard Geise. The honored guest received several useful presents.

The Cross Country club was delightfully entertained yesterday afternoon at the home of Mrs. Oliver Mock northwest of the city. The guests enjoyed the afternoon socially with needlework. Dainty refreshments were served by the hostess.

Mahoning Council, No. 36 will hold their regular meeting Thursday evening in the Red Men Hall.

### LOCAL GIRL IN SHOW

Greencastle, Ind. Oct. 20—Miss Helen Thomas, of Rushville, who is spending her second year at De Saturday evening in Ching Ching Pauw University, had a leading part Spotlight, a stunt given by Women's Athletic Association. Miss Thomas appeared in a fan dance. The stunt was a part of the Old Gold Day entertainment. Saturday, the fifteenth Old Gold Day, an annual holiday at De Pauw, was celebrated.

**Gas, Indigestion, Stomach Misery —"Diapepsin"**

"Diapepsin" has proven itself the surest relief for Indigestion, Gas, Flatulence, Heartburn, Sourness, Fermentation or Stomach Distress caused by acidity. A few tablets give almost immediate stomach relief and shortly the stomach is corrected so you can eat favorite foods without fear. Large case costs only few cents at drug store. Millions helped annually.

### The Test of the Kitchen

The cook, no matter how efficient or experienced, can meet the test without the proper means and materials.

If the fine flavor is not in what you are preparing, the cook cannot put it there. The food products must be right if palatable, nourishing and appetizing dishes are to be prepared.

We have foods of pleasing flavor. It is only a question of what you want. You can depend on the goodness of your meals when your supplies come from our low priced purefood store.

Kidney and Bladder Troubles Conquered or Money Back

For 40 years, said Dr. Carey, I have been prescribing Marshroot for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price, on the money back if dissatisfied plan.

Beware of kidney disease—thousands die of it every year who ought to be enjoying the blessing of life and health. Watch the symptoms. If you have specks floating before the eyes, puffy eyes, clammy feet or moist palms, backache or sideache, you ought to get a bottle of Dr. Carey's Marshroot right away.

It has wonderfully benefitted tens of thousands of cases of kidney and bladder troubles and is the medicine you can always depend upon. Results are guaranteed.

NOTE.—Dr. Daniel G. Carey was a practicing physician for many years and his great Prescription, Marshroot aided thousands of sufferers from kidney and bladder troubles. Hereafter you can always get this effective Prescription at all reliable pharmacists the country over. Keep in mind the name, Dr. Carey's Marshroot prescription No. 777. No other medicine can take its place.

Don't Burn Good Fuel in a Poor Stove. TAKE PEPSINCO

It's a useless waste of good fuel and needless extravagance to try to burn it in a poor stove. It is absolutely wrong to expect good food to supply energy, vitality, health and happiness, if your stomach won't absorb and assimilate it. If you cannot eat with enjoyment; if your food does you no good; if food distresses, rather than benefits, then you have indigestion or dyspepsia. The best remedy to use is PEPSINCO.

Ask your druggist—he sells and recommends Pepsinco.

PROFITABLE FARMING HINDERED BY RATES

Midwestern States Hold Meeting and Agree That High Rates on Freight is to Blame

SEVEN GOVERNORS ATTEND

(By United Press)  
Des Moines, Ia., Oct. 20.—Present freight charges make profitable farming impossible. This was agreed to by a meeting of governors and their personal representatives from seven midwestern states here Wednesday called by Governor N. E. Kendall, Iowa, to consider freight rates and unemployment.

Resolutions calling on congress for reduction of rates and for the re-affirmation of intrastate freight rates were passed today.

Clyde M. Reed, former railroad commissioner and present chairman of the Kansas Industrial committee, declared that "nothing in the recent financial history of the railroads, warrants their present cries of poverty."

Railroad stockholders in 1920, Reed said, fared as well as in any previous periods in their history. Governor McKelvie, Nebraska; W. M. McMahister, South Dakota; Arthur M. Hyde, Missouri; John J. Blaine, Wisconsin; N. E. Kendall, Iowa; C. P. Preus, Minnesota; Judge Clyde M. Reed, chairman public utility commission, Kansas; R. G. Knutson, chairman Industrial commission, Wisconsin; Thon A. Brown railroad commissioner, Nebraska and Charles Webster, railroad commissioner, Iowa, attended today's sessions.

AMUSEMENTS

"Passing Thru", Princess

The time has come for the prevention of cruelty to motion picture actors, according to the joanlar statement of Otto Hoffman, noted character actor who appears in support of Douglas MacLean in his new Paramount comedy, "Passing Thru" which opened at the Princess Theatre Wednesday for a two days' run.

In the comedy Hoffman, as James Spivins, a grumping small town barber, is kicked into apparent unconsciousness by Mand, a malicious mottled mule. A realistic scene on the screen, it was equally so when being filmed by the camera. Hoffman underneath his ordinary clothing, wore an armour of heavy sole leather designed to protect him against the poundings of the mule's hoofs. The hybrid's iron shoes were removed to lessen the shock of the kicks.

The mule was then anchored down forward, so to speak, by fastening his head and front legs to prevent him from reaching out more than a limited distance with her hind legs. By a little teasing she was induced to kick and the greatest distance reached by the hoofs was marked. Upon that spot stood Hoffman, the cameras clicked, and the mule kicked.

"Short Skirts", Mystic

Gladys Walton will be at the Mystic Theatre Friday in "Short Skirts," her latest Universal photodrama, filmed from the widely read story, "Gabella Drives the Nail," which appeared in the Saturday Evening Post from the pen of Alice L. Tildesley.

Miss Walton's recent successes, "Pink Tights," "The Man Tamer" and "Desperate Youth", were considered to have in abundance those qualities which have endeared the little star to millions of playgoers; but in the current story she has a vehicle even more admirably suited.

An unusually capable cast will be seen in her support, Harold Miller, who played with her in "Desperate Youth" again appears in the principal masculine role, while Jack Mower plays the villainous part. Ena Gregory, Jean Hathaway, Scotty McGregor, Edward Martin, Ed. William Welsh and Howard Ralston complete the list of supporting players.

The story dwells upon a little girl who wants to appear older than she is and who plays with fire for the thrill. She nearly wrecks a good man's chance to be elected mayor, blights her mother's happiness and makes a mess of her life until the hero steps in, administers a mental spanking and straightens her out for a flying trip down the boulevard of common sense—but with more thrills than she could possibly have felt on the dangerous bramble-path.

Sensational modern fashions are cleverly contrasted with the clothes of a generation ago in the novel prologue which precedes the main story.

Healing Cream Stops Catarrh

Clogged Air Passages Open at Once—Nose and Throat Clear.

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get Ely's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head—and membranes. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or snuffling. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.—Advertisement.

GOVERNORS OFFER STRIKE PROTESTS

Railroad Strike Must Not be Held in Keynote of Messages Sent Out by Executives

SOLUTIONS ARE OFFERED

One Suggests That Each State Use Every Means to See That Trains Are Operated

(By United Press)

New York, Oct. 20.—The railroad strike must not take place.

This was the keynote of messages received by the United Press today from governors of many states.

The governors who were asked to advance suggestions for solution of the railroad problem put forward many recommendations but the majority agreed that the government should step in and use what ever power is necessary to halt the strike.

"In case this threatened strike becomes a reality it would be the duty of the state to use every means in its power to see that the trains were operated," said Governor R. A. Cooper, of South Carolina.

"If it should be considered advisable to hold a special session of the legislature to draw up measures to see that the trains were operated, I should not hesitate to call it. Nor shall I hesitate to call for volunteers to operate the trains."

The Plumb plan is the solution, according to Governor Lynn Frazier of North Dakota. "I would suggest that Congress take immediate steps to try out the Plumb plan," he said. "It cannot help but be an improvement over the present system."

"The government," said Governor Henry J. Allen, of Kansas, "should create at once a federal tribunal with power to adjudicate the present controversy and to protect the public against a cessation of transportation."

This is the Stove Polish YOU Should Use

It's different from others because more care is taken in the making and the materials used are of higher grade.

Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish. Used on sample stoves and sold by hardware and grocery dealers.

All we ask is trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. Test on Black Silk Stove Polish.

Made in liquid or paste—one quality.

Black Silk Stove Polish Works Sterling, Illinois

Use Black Silk Air-Drying Enamel on grates, registers, stove-pipes—Prevents rusting. Use Black Silk Metal Polish for silver, nickel or brass. It has no equal for use on automobiles.

"KELLOGG'S? You betcha!  
My Daddy says it's Kellogg's  
or nuffin' for him! and he's  
tried 'em all! HE KNOWS!"

## Kellogg's Corn Flakes snap up fussy appetites something wonderful!

No coaxing needed these days to tempt family folks and visitor folks to eat a-plenty—not when there's a big pitcher of cold milk or cream and lots of Kellogg's Corn Flakes—and, maybe some handy fresh fruit—ready to tickle fickle palates!

Kellogg's are unlike any corn flakes you ever ate! They're the original kind—they ought to be best! No other corn flakes are so deliciously flavored; no other corn flakes retain such wonder-crispness till eaten!

Kellogg's are always a delight to serve—and a treat to eat at any meal! In fact, you'll never know how good corn flakes can be until you know KELLOGG'S! The difference is astounding!

Do more than ask for Corn Flakes—say KELLOGG'S CORN FLAKES! Don't accept substitutes!

# Kellogg's CORN FLAKES

Also makers of KELLOGG'S KRUMBLER and KELLOGG'S BRAN, cooked and krumbled

## STOP! HEED THE DANGER SIGNAL

When your engine gets cranky it is time for you to be just the opposite. Good judgment then and there will prevent possible accidents and prolong the life of your car.

If you don't know what is the matter, and how to correct it, the only sane course is to hunt the man who does.

128 WEST SECOND ST.

EVERYTHING IN MUSIC

Swearinger, and wife motored to Carthage Sunday and surprised the Mr. Rev. Frank Sumner formerly pastor of the Fairview church. A pitch-in dinner was enjoyed at the noon hour and the afternoon was spent with Mr. and Mrs. Van Hood, Erbin Vickery and Will Groves motored to Nineveh Sunday and visited the Rev. G. F. Powers and family. The Rev. Mr. Powers who has been ill for several weeks, is improving.

Mr. and Mrs. Raymond Bowles and daughters Vera and Mary Elizabeth of Mays were the guests of Mr. and Mrs. John Brown Sunday. In the afternoon Mr. and Mrs. Wilbur Gibbs and daughter Frances of Yanketown and Mrs. Margaret Baker and son Roy of Longwood and Mrs. Mary Piper were visitors.

Elmer Caldwell of Rushville was in Fairview on business Monday.

A penny supper will be given at the school building Saturday evening by the Fairview Christian church for the benefit of the church.

#### Mauzy

Mr. and Mrs. Martindale of Wilkinson attended the all day meeting and home coming at Ben Davis Creek Sunday.

The protracted meeting at Ben Davis Creek closed Sunday with good success. An all day meeting was held Sunday with a basket dinner at noon. There was one addition by confession.

Mr. and Mrs. Chester Mauzy are spending their honeymoon with relatives in Ohio.

Mr. and Mrs. George Billings attended church at Ben Davis Creek. Mr. and Mrs. Jackman of Milroy attended services at Ben Davis Creek Sunday.

The next regular preaching day at Ben Davis Creek will be the fifth Sunday in October. Sunday school every Sunday at ten o'clock with a special program. The Rev. H. R. Hosier is the pastor.

The funeral services of Bernard Daubenspeck, aged 92 years, who died last Tuesday, were held in Jamestown Thursday. The deceased spent most of his life in Union township, Rush county and was a member of the Ben Davis Creek church.

#### TO PREACH HERE TONIGHT

Walter T. Renner of Indianapolis will preach tonight at the Church of God, corner of Oliver and Ninth streets.

## GRAND JURY TO RECESS TONIGHT

More Than Score of Witnesses From  
North of Rushville Heard Today  
Third of Session

TO RECONVENE NEXT WEEK

Jury Called Friday to Hear Appeal-  
ed Case of City Against Max  
Tarplee For Damages

The grand jury was in its third day's session today, and the investigators will recess tonight for a few days, without making a report until they reconvene, which will probably be next week.

There were more than a score of witnesses called in before them today, most of the people being from north of Rushville, and in the Jackson township neighborhood. There were several witnesses heard yesterday, and all three days this week have been busy ones.

In the circuit court tomorrow the jury has been called into service to hear the case of the City of Rushville against Max Tarplee, a suit for damages. The case was filed in Justice Stech's court about a year ago, and on a change of venue it was sent to Squire Thompson in Glenwood, on the defendant's motion.

In the Glenwood court, a verdict for the defendant with costs against the city was rendered, and the city took an appeal to the circuit court and it is on the appeal that the case will be heard.

Tarplee is alleged to have run his automobile into a pedestal light in South Main street, doing considerable damage to the post, besides breaking the five globes, and the city is attempting to collect for the alleged damages.

Bertha Shum today filed suit for divorce in the circuit court against William Shum. The complaint alleges that the defendant mistreated her, accused her falsely of intimacy with another man, called her vile names which reflected upon her character and threatened to strike her.

The plaintiff alleges that they are married in June, 1917 and separated in March, 1921, when he is alleged to have sold their household goods. Young and Young, attorneys, represent the plaintiff in the case.

Charles J. Caldwell is plaintiff and Ida E. Jackson is defendant in a petition filed today in the circuit court, the action asking the plaintiff be removed from the bond of the defendant.

## TEACHERS HOPE TO MAKE BETTER RECORD

Large Attendance at State Association Meeting to Improve on 1920 Standing

COUNTY WAS IN 61ST PLACE

A big delegation of Rush county teachers went to Indianapolis this morning to attend the sessions of the Indiana State Teachers Association, and the local teachers were expecting to make a better record attendance enrollment this year, as compared with last year, when the county ranked in 61st place.

All school units in the state are listed according to the number of teachers, and the attendance record is taken from the number represented from each unit. Last year Rushville city, which is one unit, was 102.7 percent in attendance, as every teacher was present as well as others who hold licenses but were not teaching. Rushville ranked 25th in the list.

Rush county, which is another unit, fell down in the list with 72.6 percent of the teachers present. In the sixth district Union county led with 18th place and all other counties with the exception of Franklin, were ahead of Rush county in attendance.

All schools with the exception of Center township, were closed today and Friday in order that the teachers could attend.

## PUT UNDER U. S. CONTROL

Fifty-four Stock Yards Placed Under Strict Supervision

Washington, Oct. 20.—Fifty-four stock yards throughout the country today were brought under strict federal supervision by an order of Secretary of Agriculture Wallace.

As the result of an investigation the secretary held that these yards came within the provisions of the packer control law recently passed by congress.

The department will issue tentative regulations for the control of stock yards based on the law. Wallace said.

Hearings on proposed modifications will be held during the two weeks beginning Nov. 7 at Fort Worth, Texas, Kansas City, Denver, Portland and Chicago by Chester Morrill, assistant to the secretary. Other yards will be added to the control list until it reaches about 70 Wallace believes.

## TWO ARRESTED FOR ISSUING BAD CHECKS

Cases of O. F. Edwards of Shelbyville and Chase Cross to be Disposed of Late Today

FORMER MAKES CHECK GOOD

Charge of issuing bad checks have been filed in Justice Stech's court against O. F. Edwards, R. R. 6 Shelbyville, and Chase Cross, R. R. 6, Rushville, and their cases were to be disposed of today in that court.

Edwards was arrested yesterday and after the evidence had been heard Justice Stech decided to let the case go over until six o'clock tonight. The defendant stated that the check, amounting to \$19.75, given to Dr. D. D. Drago, had been made good with a money order sent in the mail yesterday. If the amount had been made good, it would be received by the prosecuting witness by six o'clock tonight, and the charge would be dismissed.

Cross was arrested the other day, and he was scheduled to appear this afternoon. A check amounting to \$5 is alleged to have been given O. C. Brann, without sufficient funds.

## HOPE TO DEDICATE NEW CHURCH NOV. 6

Members of Big Flatrock Congregation Hope to Have House of Worship Completed Then

TO BE MODERN BUILDING

An extra effort is being made by the workmen on the Big Flatrock church building, in Orange township, which is under construction, to have it completed in time to dedicate November 6. The improvement was started early in the summer and it is now the aim of the contractor to finish it by the end of this month.

The new church will be modern in every particular and will contain all of the conveniences of present-day houses of worship, including a heating plant and a basement under the whole building. The structure is 64 by 44 feet and is of brick veneer construction.

The building is being erected on the same site and is being constructed around the old building. The old structure was turned half way around and additions built on the front and rear. A whole new roof has been put on.

The Big Flatrock Christian church is one of the oldest in the county and great reparations are being made for the dedication.

NEW MINISTRY FORMED

London, Oct. 20.—A military movement against the Portuguese government proved successful, according to a dispatch from Lisbon today. The government resigned and a new ministry was being formed. There was no bloodshed.

## RAIL CONFERENCE BEGINS AT 2 P. M.

Railroad Brotherhood Chiefs Decide Before Hand The Strike Will Not be Postponed

STATEMENT BY T. C. CASHEN

Lieutenants Continue to Outline Plans For Walkout While Chiefs Meet Labor Board

(By United Press)

Washington, Oct. 20.—Important freight rate reduction will be announced in the near future by the interstate commerce commission, it was reiterated today by a high official of the government.

These cuts will be ordered into effect on short notice. It was said at the White House that President Harding is desirous that the rates be announced as soon as possible in order that they might influence the railroad brotherhoods to rescind the strike call.

Chicago, Ill., Oct. 20.—Brotherhood chiefs in a conference today which ended shortly before they were to meet the United States railroad labor board, decided there would be no postponement of the railroad strike called for October 30.

"In our conference with the railroad board our difficulties with the executives must be finally settled or the strike will go on as scheduled," said T. C. Cashen, president of the Switchmen's Union of North America.

"There will be no postponement of the strike we have called," he declared. The conference between the brotherhood chiefs and the labor board members started behind closed doors at 2 p. m.

Cleveland, Ohio, Oct. 20.—Brotherhood lieutenants continued to map out the minor details of the impending industrial war here today while their chiefs met with the Railway Labor Board to discuss possible peace.

At union headquarters, it was made known there would be no halt in preparations for the general transportation walkout, starting Oct. 30 until word was received from Chicago that a settlement had been reached.

A score of executive committee-men and members of the advisory boards of the Brotherhoods went into conference here early today and were expected to continue in session until night.

Pennsylvania Defies Board

Chicago, Oct. 20.—The Pennsylvania Railroad again defied the power of the United States Labor Board today just as the Board was prepared to enter into negotiations with the Union heads in an attempt to avert the October 30 strike.

Representatives of the Pennsylvania, summoned to show why the road should not be declared in violation of the Board's orders, declared the action of the Labor Board in ordering election of representatives to negotiate with officials on working rules was unlawful and illegal.

Judge C. E. Heiserman, attorney for the Pennsylvania, presented the road's case. The road had not followed out the orders of the Board to arrange for the election and would not permit the choice of labor organizers to represent the men at the negotiations.

The attorney spent less than ten minutes in presenting the road's case. He declared the Board's order tended to encourage the following:

- 1—Closed shop.
- 2—Sympathetic strikes.
- 3—Limitation of output.

N. P. Good, representing the Labor Department of the American Federation of Labor, told the Board that if it did not make the Pennsylvania obey its rules the 500,000 members of the Shop Workers Union would be called out on strike.

"We are determined to put our strike vote into effect unless the Pennsylvania gives us our rights as guaranteed under the Transportation Act," Good asserted.

He said it was clear that the Pennsylvania had violated the orders.

## TUMULT IN FRENCH LEGISLATIVE BODY

Uproar in Chamber of Deputies Today When Plot to Kill U. S. Ambassador is Mentioned

DRAGNET CUT FOR CULPRITS

Communists Disclaim Responsibility For Outrage—Believed Protest on U. S. Sentence of Members

(By United Press)

Brest, France, Oct. 20.—A mob of 1,000 Syndicalist marched upon the American consulate here today and smashed the windows, singing the Internationale and waving the red flag. The police finally dispersed the crowd.

London, Oct. 20.—No necessity for "extra precautions" at the American embassy here was seen by United States officials today. Although threatening letter relating to the communists sentenced at Detham Mass, U. S. A. have been received here it was believed anti-American demonstrations would be confined to the continent.

Brussels, Oct. 20.—The American embassy here was closely guarded by police and detectives today.

Demonstrations by Communists yesterday, in which more than 200 persons created a disturbance in front of the embassy until they were dispersed by the police and fear of a possible bomb outrage similar to that at Paris against Ambassador Herriek yesterday, led to extraordinary precautions being taken.

Paris, Oct. 20.—The attempted assassination of Ambassador Herriek led to uproarious scenes and indescribable tumult in the French Chamber of Deputies today.

Deputy Mandel, chief deputy of former Premier Clemenceau, in a fiery speech attacked the police and the department of justice for permitting the outrage to occur. He also made a bitter attack upon the Communists and the Socialist senator Escottier, leaped at him and struck him in the face.

When things quieted down, M. Bounevay, minister of justice referred again to the bomb incident and deplored it in strong terms while the Chamber cheered.

Arrests are imminent in connection with the bomb outrage, it was announced today after a nation-wide dragnet of police and special detectives have been flung out in search of the perpetrators.

The communists, disclaiming responsibility for the attempted assassination of the ambassador in which his British valet was wounded announced today their intention of continuing the campaign to free Sacco and Vanzetti, Communists convicted of murder in the United States.

Ambassador Herriek went to the embassy as usual today and this afternoon played golf, refusing the services of personal guards.

General Pershing was closely guarded as he left today for Cherbourg.

Communists attacked the American consulate at Brest, breaking windows.

A huge Communist demonstration Sunday will be arranged at a meeting of the "committee of action" tonight, the Internationale, official Communist organ, announced today.

Other prominent Americans beside Herriek have received threatening letters from Communists here, the police learned today.

Official France feels deeply the dignity of the attack upon Ambassador Herriek. President Millerand and Premier Briand today sent personal representatives to call and express their sympathy and congratulations upon his escape.

Extraordinary precautions were taken here today to guard the departure of General John J. Pershing who took the boat train at the Gare St. Alaire for Cherbourg. Hundreds of detectives mingled with the throngs at the station and cordons of police protected Pershing's train.

Gen. Pershing's departure was not marred by any untoward incident.

## JUDGING IS COMPLETED

Five-Acre Corn Contest Prizes to be Announced at Show

The corn grown in the five-acre contest in Rush county will average from sixty to one hundred bushels to the acre, according to Donald D. Ball, county agricultural agent, who finished checking up the five acre tracts in the county Wednesday evening. The judging was done by Ernest Thornburg, manager of the Hamilton farms in Shelby county.

There are seventeen contestants in the county the entries of all of whom were carefully inspected and checked up by Mr. Thornburg and Mr. Ball. The prize winners will not be announced until the annual county products show to be held late this fall.

## BOARD TO COMPLETE ORGANIZATION FIRST

Membership Fees For Country Club Will Not be Collected Until Club is Incorporated

131 STOCK MEMBERS TODAY

The board of directors of the newly organized Rush County Country Club held a brief session this morning and decided that the constitution and by-laws and the articles of incorporation would be prepared at once, as arranged at a meeting Tuesday night, and that the club would be duly incorporated under the laws of Indiana before the board proceeded to the collection of subscriptions for stock.

Persons who have agreed to buy stock, it was announced by a member of the board, may not expect to be called on at once to pay their membership fee, but will receive notice in due time, when the organization has been completed.

By actual count this morning, there were one hundred and thirty-one subscriptions for stock at \$100 a share, and others are expected to come in. The most optimistic believe the club will start off with 150 stock members, which is 25 more than it was estimated would be needed.

The sale of preferred stock is moving along well, it was reported, so that there will be no difficulty in financing the project.

## ROBE OF PEARLS TO BE DISPLAYED HERE

Royal Garment Will be Exhibited by Frank Rembush of Shelbyville for Charity

AUSPICES OF TRI KAPPAS

The royal robe of pearls, which was acquired in a very unusual transaction last spring by Frank Rembush of Shelbyville, will be displayed in the court house assembly room here Saturday afternoon, October 29, from two to five o'clock, under the auspices of the Tri Kappa sorority for the benefit of the county board of children's guardians.

Mr. Rembush will wear the robe and will tell the romantic story of its origin and will describe the chain of events which resulted in his obtaining possession of it. The robe, which includes cap and slippers was made by nuns in Paris for the "Mad King Otto" of Bavaria and is said to be of immense value. How Mr. Rembush became the owner of the unusual garment is a story, but sounds very much like fiction, but has been proved to be authentic.

Mr. Rembush is displaying the robe for charity and charges nothing for his services. The Tri Kappas will charge a small admission to raise money for the county board of children's guardians who need funds to help some underprivileged children living in the county, outside of Rushville.

## DELUGE FAILS TO STOP LODGE PARADE

In Spite of Rain, I. O. O. F. Parade Proves Best Fraternal Demonstration

800 PERSONS PARTICIPATE

Beautiful Floats and Red Fire Make it Spectacular—Degrees Given Before Large Crowd

Marking the largest demonstration ever made by a lodge in Rush county, the annual county gathering of the I. O. O. F. came to a climax Wednesday night with a spectacular parade, featured by floats and red fire, which smacked of campaign times.

The participants in the parade fell about two hundred short of a thousand, the number expected to take part, but the early estimates would have been exceeded, had the weather not interfered and prevented many from attending the meeting.

Although rain fell frequently during the day, leading up to the deluge between five and six o'clock, it did not dampen the ardor of many Old Fellows or Rebekahs, for there was approximately half of the membership of the two branches of the order in the county, present for the parade and degree work.

Those in charge of the plans for the parade said there were seven hundred marchers and one hundred others who rode in automobiles or on floats. This number would have been a few hundred larger, in the opinion of prominent Odd Fellows, if the heavy downpour of rain had not fallen when it did. The rain began at a time when many people living a few miles from Rushville planned to start to the city.

The rain also disarranged the plans for the parade, because many were under the impression that it would not be held and did not even prepare to take part. Several who had a part in the organization did not show up at parade time and made the work of the committees doubly difficult.

Following the parade, the Odd Fellows retired to the lodge room, where work in the second and third degrees was given, and the Rebekahs went to the Modern Woodman hall, which served as their headquarters during the day.

The Odd Fellows hall was jammed full of people and many were turned away. The second degree was given on a class of eighteen county candidates by the Mays degree staff and the third degree was given on a class of twenty-one candidates, including two from Connersville and one from Brookville, by the Arlington staff. The Milroy staff gave the first degree to the county class of eighteen candidates in the afternoon.

The two grand officers present, Otto Byers of S. Bend, grand master, and William H. Leedy of Indianapolis, state secretary, complimented the degree teams on their work and also were high in their praise of the showing made by the lodge in the county meeting. Mr. Byers was immensely impressed with Rush county, it being his first visit here.

Large crowds of people lined the streets over which the parade was to pass when the procession began to move at the corner of Main and Fifth streets, headed by the Arlington band and Harry Petry, grand marshal, who was mounted. The Rushville Odd Fellows band lead the second division. Each of the marchers carried "sparklers" and large sticks of "red fire" lighted the way as the parade came down the Main street hill.

There were nine floats in the parade, each delineating some degree or lesson of the I. O. O. F. or Rebekah lodge. A tenth float prepared by the Arlington lodge was demolished in the trip to Rushville. Another float prepared by Arlington was so tall that it could not be brought through a bridge on the Indianapolis pike and the delay in going a round-about way almost prevented the float from arriving in time.

Milroy No. 367 of Rebekahs had a float showing Rebekah at the well, the story from the Bible on which the order is founded. The float of the Rushville Rebekahs was ap-

## RUSHVILLE OPENS WITH A VICTORY

The Rushville high school opened the season last night with a victory over the Arlington high school, and displayed flashy team work at times. The first game surprised the fans by their remarkable ability for so early in the season, the final count being 31 to 11.

Arlington started off in great fashion and within a few seconds after the game started, scored the first point when Rushville made a foul. Then Headlee came back and tied the score with a foul.

The two teams struggled along for several minutes, neither being able to break the tie, but Headlee began the bombardment with a field goal and soon the score was 6 to 1 in favor of Rushville. Riggsbee, forward for Arlington, was the bright star on the team, making all of the eleven points.

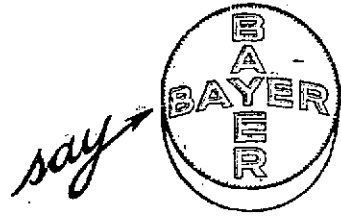

The visiting team was able to run up only six points in the first half, while Rushville ended the period with 22 counters. In the last half, substitutions were made, and Headlee was instructed not to shoot goals, but feed the ball to other players, and in this half Rushville made nine points and Arlington five.

The two former players, Headlee and Frazee, performed in great style all of the way through, and nothing got by Frazee at back guard, and Headlee shows even more speed and accuracy than he did last year. His quick twist was almost perfect, and he seemed to break through the line in easy fashion.

Casady at forward showed up well and with a few more games and practice he will develop into a speedy and good goal shot. Phillips also showed speed last night, but missed many chances at the basket. The other forward position is taken care of by Pugh and Sparks, and these two young players will soon have regular berths on the team. The entire team showed good team

## ASPIRIN

Name "Bayer" on Genuine

Take Aspirin only as told in each package of genuine Bayer Tablets of Aspirin. Then you will be following the directions and dosage worked out by physicians during 21 years, and proved safe by millions. Take no chances with substitutes. MAKE YOUR PURCHASES WIN FOR YOU THE FREE SONORA.  
A GUESS WITH EVERY 25 CENT PURCHASE.

## JOHNSON'S DRUG STORE

This is the Penslar Store, where Drug Service is Unsurpassed.

work considering the early part of the season, and Arlington also has a speedy team, but were lacking on goal hitting, leaving it all for Riggsbee.

In the second half Carmel, Sparks, Walker and Sommerville relieved some of the players, and even the substitutes displayed fast team work in passing the ball. Arlington scored last in the game with a field goal, making the final count 31 to 11.

Referee Webb was rigid on calling fouls and a total of 28 were called during the game, 13 being on Arlington and 15 on Rushville. Riggsbee made 5 of them, and Headlee converted 7 of the 13 into points. Frazee for Rushville and Birt for Arlington each was forced out of the game on account of four personal fouls.

In the preliminary contest the Webb school did not have much trouble in defeating the second string team from Rushville, and the team from the Webb school proved fast and good basket shots, winning the game by a 15 to 7 count. In this game several of the players with the first team couldn't hold them, and Webb has prospects for a winning team this year.

The score and summary:  
Rushville (31) Arlington (11)  
Pugh ..... F ..... Riggsbee  
Casady ..... F ..... Nelson  
Headlee ..... C ..... Birt  
Phillips ..... G ..... Mitchell  
Frazee ..... G ..... Marshall  
Substitutions: Rushville—Carmel, Sparks, Walker and Sommerville; Arlington, Price for Birt. Field goals, Casady 4, Headlee 5, Phillips, Sparks, Walker, Riggsbee 3. Foul goals, Riggsbee 5 out of 15; Headlee 7 out of 13. Referee Webb.

### TWO NEW SALEM FIVES WIN

New Salem high school won a double header last night from the Morristown first and second team, when the New Salem first team won by a 7 to 5 score and the second team shut out the Morristown seconds by the close count of 4 to 0. The teams were evenly matched, and close guarding by each side prevailed. The first half of the first teams game ended with Morristown one point in the lead, 3 to 2, and the second team from New Salem was ahead 3 to 0 at the close of the first half.

New Salem will next play the Orange team at Orange on October 28.

### RALEIGH TAKES A COUPLE

Raleigh high school's first and second basketball teams won from Lewisville high school first and second teams Wednesday night at Raleigh, the first string men winning, 14 to 12, and the seconds taking their contest 12 to 5.

In the main game, Lewisville tied the score at 12-12 near the close of the second half, but Raleigh put

over a field goal which was enough to win. Both Lewisville aggregations were fast.

Raleigh opened last Friday night at New Salem, winning 8 to 3, and will play Carthage one week from Friday night. Raleigh lifted up last

night with K. Ertle and Craig, forwards; Clifton, center; W. Ertle, floor guard, and Hyatt, back guard. The Lewisville line-up was: Parker and Martin, forwards; Hall, center; Lane, floor guard, and Showalter, back guard.

## Kidney and Bladder Troubles Conquered or Money Back

For 40 years, said Dr. Carey, I have been prescribing Marshroot for kidney and bladder sickness and now that I have retired from active practice I have made arrangements with leading druggists to dispense this wonderful prescription at a moderate price, on the money back if dissatisfied plan.

Beware of kidney disease—thousands die of it every year who ought to be enjoying the blessing of life and health. Watch the symptoms. If you have specks floating before the eyes, puffy eyes, clammy feet or moist palms, backache or sideache, you ought to get a bottle of Dr. Carey's Marshroot right away.

It has wonderfully benefited tens of thousands of cases of kidney and bladder troubles and is the medicine you can always depend upon. Results are guaranteed.

NOTE.—Dr. Daniel G. Carey was a practicing physician for many years and his great Prescription, Marshroot aided thousands of sufferers from kidney and bladder troubles. Hereafter you can always get this effective Prescription at all reliable pharmacists the country over. Keep in mind the name, Dr. Carey's Marshroot prescription No. 777. No other medicine can take its place.

## Don't Burn Good Fuel in a Poor Stove.

### TAKE

## PEPSINCO

It's a useless waste of good fuel and needless extravagance to try to burn it in a poor stove. It is absolutely wrong to expect good food to supply energy, vitality, health and happiness, if your stomach won't absorb and assimilate it. If you cannot eat with enjoyment; if your food does you no good; if food distresses, rather than benefits, then you have indigestion or dyspepsia. The best remedy to use is PEP-SINCO.

Ask your druggist—he sells and recommends Pepsinco.

## PROFITABLE FARMING HINDERED BY RATES

Midwestern States Hold Meeting and Agree That High Rates on Freight is to Blame

### SEVEN GOVERNORS ATTEND

(By United Press)

Des Moines, Ia., Oct. 20.—Present freight charges make profitable farming impossible.

This was agreed to by a meeting of governors and their personal representatives from seven midwestern states here Wednesday called by Governor N. E. Kendall, Iowa, to consider freight rates and unemployment.

Resolutions calling on congress for reduction of rates and for the reaffirmation of intrastate freight rates were passed today.

Clyde M. Reed, former railroad commissioner and present chairman of the Kansas Industrial committee, declared that "nothing in the recent financial history of the railroads, warrants their present cries of poverty."

Railroad stockholders in 1920, Reed said, fared as well as in any previous periods in their history.

Governor McKelvie, Nebraska; W. M. McMaher, South Dakota; Arthur M. Hyde, Missouri; John J. Blaine, Wisconsin; N. E. Kendall, Iowa; C. P. Preuss, Minnesota; Judge Clyde M. Reed, chairman public utility commission, Kansas; R. G. Kintson, chairman Industrial commission, Wisconsin; Thos. A. Brown, railroad commissioner, Nebraska and Charles Webster, railroad commissioner, Iowa, attended today's sessions.

## AMUSEMENTS

### "Passing Thru", Princess

The time has come for the presentation of cruelty to motion picture actors, according to the popular statement of Otto Hoffman, noted character actor who appears in support of Douglas MacLean in his new Paramount comedy, "Passing Thru" which opened at the Princess Theatre Wednesday for a two days' run.

In the comedy Hoffman, as James Spivins, a grasping small town barber, is kicked into apparent unconsciousness by Mand, a malicious mottled mule. A realistic scene on the screen, it was equally so when being filmed by the camera. Hoffman underneath his ordinary clothing, wore an armour of heavy sole leather designed to protect him against the poundings of the mule's hoofs. The hybrid's iron shoes were removed to lessen the shock of the kicks.

The mule was then anchored down forward, so to speak, by fastening his head and front legs to prevent him from reaching out more than a limited distance with her hind legs. By a little teasing she was induced to kick and the greatest distance reached by the hoofs was marked. Upon that spot stood Hoffman, the cameras clicked, and the mule kicked.

### "Short Skirts", Mystic

Gladys Walton will be at the Mystic Theatre Friday in "Short Skirts," her latest Universal production, filmed from the widely read story, "Gabella Drives the Nail," which appeared in the Saturday Evening Post from the pen of Alice L. Tildesley.

Miss Walton's recent successes, "Pink Tights," "The Man Tamer" and "Desperate Youth," were considered to have in abundance those qualities which have endeared the little star to millions of playgoers; but in the current story she has a vehicle even more admirably suited. An unusually capable cast will be seen in her support. Harold Miller, who played with her in "Desperate Youth" again appears in the principal masculine role, while Jack Mower plays the villainous part. Eva Gregory, Jean Hathaway, Scotty McGregor, Edward Martindel, William Welsh and Howard Ralston complete the list of supporting players.

The story dwells upon a little girl who wants to appear older than she is and who plays with fire for the thrill. She nearly wrecks a good man's chance to be elected mayor, blights her mother's happiness and makes a mess of her life until the hero steps in, administers a mental spanking and straightens her out for a flying trip down the boulevard of common sense—but with more thrills than she could possibly have felt on the dangerous bramble-path. Sensational modern fashions are cleverly contrasted with the clothes of a generation ago in the novel prologue which precedes the main story.

## Healing Cream Stops Catarrh

Clogged Air Passages Open at Once—Nose and Throat Clear.

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get Ely's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head—and membranes. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or sniffling. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.—Advertisement.

## GOVERNORS OFFER STRIKE PROTESTS

Railroad Strike Must Not Be Held Is Keynote of Messages Sent Out by Executives

### SOLUTIONS ARE OFFERED

One Suggests That Each State Use Every Means to See That Trains Are Operated

(By United Press)

New York, Oct. 20.—The railroad strike must not take place.

This was the keynote of messages received by the United Press today from governors of many states.

The governors who were asked to advance suggestions for solution of the railroad problem put forward many recommendations but the majority agreed that the government should step in and use what ever power is necessary to halt the strike.

"In case this threatened strike becomes a reality it would be the duty of the state to use every means in its power to see that the trains were operated," said Governor R. A. Cooper, of South Carolina.

"If it should be considered advisable to hold a special session of the legislature to draw up measures to see that the trains were operated, I should not hesitate to call it. Nor shall I hesitate to call for volunteers to operate the trains."

The Plumb plan is the solution, according to Governor Lynn Frazier of North Dakota. "I would suggest that Congress take immediate steps to try out the Plumb plan," he said. "It cannot help but be an improvement over the present system."

"The government," said Governor Henry J. Allen, of Kansas, "should create at once a federal tribunal with power to adjudicate the present controversy and to protect the public against a cessation of transportation."

## This is the Stove Polish YOU Should Use

It's different from others because more care is taken in the making and the materials used are of higher grade.

## Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shiniest of four times as long as ordinary stove polish. Used on enamel stoves and sold by hardware and grocery dealers. All we ask is a trial. Use it on your cookstove, your radiator, stove or your car range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money. It is in liquid or paste—either quality. Made in liquid or paste—either quality. **Black Silk Stove Polish Works** Sterling, Illinois. Use Black Silk Air-Drying Enamel on grates, registers, pipes, etc.—freezing no rusting. Use Black Silk Metal Polish for copper, nickel or brass. It has no equal for ironing automobiles. **"A Shine in Every Drop"**

"KELLOGG'S? You betcha!  
My Daddy says it's Kellogg's  
or nuffin' for him! and he's  
tried 'em all! HE KNOWS!"

## Kellogg's Corn Flakes snap up fussy appetites something wonderful!

No coaxing needed these days to tempt family folks and visitor folks to eat a-plenty—not when there's a big pitcher of cold milk or cream and lots of Kellogg's Corn Flakes—and, maybe some handy fresh fruit—ready to tickle fickle palates!

Kellogg's are unlike any corn flakes you ever ate! They're the original kind—they ought to be best! No other corn flakes are so deliciously flavored; no other corn flakes retain such wonder-crispness till eaten!

Kellogg's are always a delight to serve—and a treat to eat at any meal! In fact, you'll never know how good corn flakes can be until you know KELLOGG'S! The difference is astounding!

Do more than ask for Corn Flakes—say KELLOGG'S CORN FLAKES! Don't accept substitutes!

# Kellogg's CORN FLAKES

EVERYTHING IN MUSIC

Swearinger, and wife motored to Carthage Sunday and surprised the Mr. Rev. Frank Sumner formerly pastor of the Fairview church. A pitch-in dinner was enjoyed at the noon hour and the afternoon was spent with Mr. and Mrs. Van Hood.

Erbin Vickery and Will Groves motored to Nineveh Sunday and visited the Rev. G. F. Powers and family. The Rev. Mr. Powers who has been ill for several weeks, is improving.

Mr. and Mrs. Raymond Bowles and daughters Vera and Mary Elizabeth of Mays were the guests of Mr. and Mrs. John Brown Sunday.

In the afternoon Mr. and Mrs. Wilbur Gibbs and daughter Frances of Yanketown and Mrs. Margaret Baker and son Roy of Longwood and Mrs. Mary Piper were visitors.

Elmer Caldwell of Rushville was in Fairview on business Monday.

A penny supper will be given at the school building Saturday evening by the Fairview Christian church for the benefit of the church.

#### Mauzy

Mr. and Mrs. Martindale of Wilkinson attended the all day meeting and home coming at Ben Davis Creek Sunday.

The protracted meeting at Ben Davis Creek closed Sunday with good success. An all day meeting was held Sunday with a basket dinner at noon. There was one addition by confession.

Mr. and Mrs. Chester Mauzy are spending their honeymoon with relatives in Ohio.

Mr. and Mrs. George Billings attended church at Ben Davis Creek. Mr. and Mrs. Jackman of Milroy attended services at Ben Davis Creek Sunday.

The next regular preaching day at Ben Davis Creek will be the fifth Sunday in October. Sunday school every Sunday at ten o'clock with a special program. The Rev. H. E. Hoiser is the pastor.

The funeral services of Bernard Daubenspeck, aged 92 years, who died last Tuesday, were held in Jamestown Thursday. The deceased spent most of his life in Union township, Rush county and was a member of the Ben Davis Creek church.

#### TO PREACH HERE TONIGHT

Walter T. Renner of Indianapolis will preach tonight at the Church of God, corner of Oliver and Ninth streets.
